

CONGRATULATIONS TO ALL!

The talent I witnessed at auditions last night was truly inspiring.

Every single one of you absolutely deserves to feel very proud of yourselves for stepping outside of your comfort zones and taking a risk. That is how we grow!

The growth and progress everyone has made since last year is unreal.

I am truly honored to be the director of this program.

People better get ready for Friend de Coup '23...

You all made these decisions extremely difficult for the judges, Miss Lori, and myself. And please know, these decisions were not taken lightly. This is without a doubt, my least favorite part of my job. I truly care about each and every one of you and I want nothing but the best for each of you. I definitely did not become a teacher to crush any dreams and it breaks my heart to have to make any of you sad.

If you do not see your name on the list, please know I did everything I could to create as many opportunities for as many of you as possible (don't forget to check for your name under ALL voice parts, tech, and pit). There are students who did not make FDC this year (singer-dancers, tech, and pit), who have incredible promise and potential and who I wish could have made the group. Unfortunately, we can only take so many kids in each area.

Please note: Based upon your audition, I will be more than willing to discuss the aspects of singing and dancing you can improve upon for next year, but I will not discuss audition scores or any information related to other students. Speaking as someone who doesn't always respond very well in the heat of the moment, if you are upset about the results, or even if you are not, give yourself at least 48 hours to process and cool down before reaching out to me (students and parents). Do not contact me this weekend. Then on Monday, if you'd still like to discuss your audition with me, at that point, reach out and we can figure out a time to chat about your audition.

Never stop singing & working on your talents. Another chance will be here before you know it.

So please, try again next year...a lot can change in a year!

I am really proud of all of you and SO pumped for a fantastic year! :)

If you were selected as a member of FDC, please take note and take care of the following items:

1. There is a Mandatory Orientation/Kick-Off Night on **Thursday, 9/29, at 6:53 PM at The Masonic Hall** for all FDC students and parents.
2. All students in any activity must have a physical completed in order to participate in activities. If your student has already completed their physical for another activity then they are good to go for the year. If they have not already completed their physical, please get an appointment scheduled ASAP. Physicals need to be submitted online through the Activities Office Activity Registration by Friday, 10/7. <https://www.mitchellkernels.com/copy-of-activity-registration>
3. I primarily use Remind for communication purposes, so please join the following applicable Remind groups ASAP by texting the appropriate code to the number 81010.
 - a. FDC Parents: @fdcpa
 - b. Singer-Dancers: @fdcsd
 - c. Tire Damage Pit Band: @tired
 - d. Tech: @fdctech
4. All Singer-Dancers, Pit, & Tech members, please join the FDC Google Classroom Class using the following code: **2hxnhh3**

2022-2023
