

CONGRATULATIONS TO EVERYONE!

With another year of auditions in the books, and a new season just around the corner, it is clear the FDC legacy is in great hands. We are so proud of every single one of you who showed up this week and put in the work to learn, grow, and be the best that you could be for your audition/interview. Stepping outside of your comfort zone is scary, but that is how we grow!

You all made these decisions extremely difficult for the judges, Miss Lori, VP, and Mr. C. Please know, these decisions were not taken lightly. In fact, an extreme amount of energy, thoughtfulness, and care went into making these decisions. This is without a doubt, one of the most difficult parts of this job.

We truly care about each and every one of you and we want nothing but the best for each of you.

If you do not see your name on the list, please know we did everything we could to create as many opportunities for as many of you as possible (don't forget to check for your name under ALL voice parts, tech, and pit). There are students who did not make FDC this year who have great promise and potential. Never stop working on becoming the best that you can be. Another chance will be here before you know it. So please, try again next year...a lot can change in a year!

PLEASE NOTE:

We are happy to provide you with feedback from the judges on your audition so you know what you can improve upon for next year, but please know, we will not discuss audition scores or any information related to other students.

If you are upset about the results, or even if you are not, give yourself at least 48 hours to process and cool down before reaching out to me (students and parents). Do not contact us this weekend or Monday. Then on Tuesday, if you'd still like to discuss your audition with us, at that point, reach out and we can figure out a time to chat about your audition.

If you were selected as a member of FDC, please take care of the following items:

1. There is a Mandatory Kick-Off Night on **Thursday, 9/18, at 6:53 PM at MHS PAC Auditorium** for all FDC students and parents. A social hour will begin prior to the meeting at 6:00 PM!
2. All students in any activity must have a physical completed in order to participate in activities. If your student has already completed their physical for another activity then they are good to go for the year. If they have not already completed their physical, please get an appointment scheduled ASAP. Physicals need to be submitted online through the Activities Office Activity Registration by Monday, 09/29.
